

KINGSMILL

DISTILLED GIN

SPECIAL QUALITY RECIPE

The masters of Liviko have 80 long years of experience distilling from herbs. Carefully selected spices and flavorings are used to make a gin distillate with the pot still method, forming the basis for Kingsmill Distilled Gin.

KINGSMILL RHUBARB

Kingsmill Rhubarb made with high-quality grain spirit, specially treated water, high-quality juniper berries and flavourings.

This crisp gin's flavour bouquet is enriched with fresh and juicy rhubarb. It is complemented by crisp juniper berries.

SERVING

Serve with lots of ice and tonic water. Garnish with a slice of lime.

Alc. 38% vol
