

VANA TALLINN

THE FINEST SPICES & GENUINE RUM

VANA TALLINN COFFEE ESPRESSO

Vana Tallinn Coffee Espresso is a coffee-flavoured liqueur made from Jamaican rum and handcrafted extracts of vanilla, cinnamon and aromatic coffee beans.

Aroma and flavour

The pleasant aroma of Vana Tallinn Coffee Espresso carries notes of Italian espresso, full-bodied rum and sweet spices.

The liqueur gets its character from Jamaican rum, warm spices and fresh citrus fruits, which are combined with bitter espresso, creating a delightful flavour bouquet.

Serving

Vana Tallinn Coffee Espresso is best served as an ice-cold shot or added to cocktails.
